Greetings from Haryana Library Association Governing Council!

Respected Members of HLA,

I would like to communicate that with your help and support our Association is continuously working in this tough period of pandemic. We scheduled various activities for the learning society of the state and as a major outcome we were able to convince the Government for implementation of the Haryana Public Library Act by initial sanctioning of 500 posts at block and village level. We are hopeful that it will be filled in next financial year.

I am writing this letter in order to bring in your knowledge that HLA renewal of registration (in the year 2017) makes it mandatory to comply with Haryana Registration and Society Act 2012. The Act has a provision of Annual Membership renewal Fee for members. Therefore, as per the constitution of HLA **“the payment of annual subscription of a member shall become due as of 1st April every year (i.e. Rs. 100 per year) which may be paid latest by the 30th of the June of such year. The membership of a defaulting member shall be deemed to be under suspension after the due date (30th June).”** Hence, we have to collect membership fees from individual members for the last three years with 18% interest. In this regard a meeting of the Governing Council was convened and keeping in view the current pandemic situation it has been unanimously resolved to extend the last date of submission of annual subscription fee upto 31st March 2021. Hence, all members are hereby requested to submit the annual subscription fee for the last three years i.e. 354/-, through the given bank account number in HLA’s account upto 31st March 2021. You may renew your membership by the above said amount through Cheque or Demand Draft or Digital Mode (NEFT, NET Banking etc.)

In case of digital transaction, to keep a screenshot of your transaction and update the details in the google form link given below in order to help us to properly audit our bank statements: **State Bank of India Branch Code 1600 , Account No. 10139651543 IFSC: SBIN0001600**
